

## **Old-timer & Retiree Photo Page Instructions.**

1. Go to <http://photos.oldtimer-retiree.org>
2. On the opening page click on the album that you would like to see.
3. The upcoming page is the inventory page of that album.
4. Click on the first image.
5. This will bring up that image.
6. View the image.
7. On the tool bar above the image you now need to click on the arrow on the right.
8. That will bring up the next image for you to view.
9. Now you got to repeat clicking on that right arrow to see all the images in that album.
10. Once that arrow on the right stops to bring up new images you have reached the end of that album.
11. You now need to click on the name "Album List" to return to the opening page.
12. Now click on any other album and repeat the above.

### **For the advanced operator there are other means to view any album.**

- You got to go through point 5 above to use the features, then
- Click on the 3rd button above the picture and that will activate an automatic slide show of that album.
- Deactivate by clicking "Stop Slideshow" below the picture.
  
- You got to go through point 5 above to use the features, then
- Click on the picture itself and see a larger version if available, then close it again and view other pictures.
- Just move your mouse over the picture and "right click". A window will pop up within the picture. This pop up lets you save the picture to **your** computer, or it will print that picture, or sends that picture to someone by e-mail. Just click on the icon and you are ready to do whatever you clicked on.
- During your viewing you can toggle back to a previous picture by using the 2nd arrow.
- You may click on the "Most Viewed" button to see how many times the pictures have been viewed.
- All the other buttons are not activated and of no interest to most.
